

TIN FOIL BOAT CHALLENGE

In this activity, Camp Little Bites sailors will be able to learn how to build a strong boat out of tin foil. How many muffins can yours hold?!

ACTIVITY DIRECTIONS

1. Mold your tin foil into the shape of a boat. Experiment with different shapes and sizes!
2. Fill basin with water and place your boat into the water.
3. Gently add Little Bites® Muffins to your boat, one by one, to see how many it can hold!

Great job setting sail, Captain! Here's your badge:
